Course

EQS 216 - Equine Anatomy and Physiology Laboratory

This is the companion laboratory to EQS 215 and continues the introduction to the various systems of the horse. Students will study the various organs of the systems and their relationships to each other. This course is required for all pre-equine students in order to be considered for entrance into the Equine Studies program.

Grade Basis: L
Credit hours: 1.0
Lecture hours: 0.0
Lab hours: 1.0

Prerequisites:

- EQS 215 - Equine Anatomy and Physiology
